

Relocation of Thanet People to Deal & Eastry Settlement Certificates

Scope

Details from Settlement Certificates for individuals & families moving from Thanet, gleaned from original material published on Kent FHS microfiche :

- St Leonard, Deal Churchwardens Accounts etc, 1696-1794 ~ on microfiche set 401
- Eastry, Kent Settlement Certificates ~ on microfiche set 1062

Arrangement

Entries are arranged alphabetically, sorted on the surname of the relocating individuals or families.

Each entry includes :

- details of the individual or family named on the certificate
- places being relocated from and to
- date on the certificate (none have been converted to 'new style')
- names of the churchwardens & overseers signing the certificate
- names of witnesses
- a reference to the original certificate.

The names of Thanet's parishes have been simplified to exclude trivial spelling variants, etc, and are not suffixed with 'in Thanet'. The parishes are : Minster, Sarre, St John, St Lawrence, St Nicholas and St Peter.

Entries are numbered, and these are used in the Indexes on page 2. As entries are arranged alphabetically, the names used for this purposes are not repeated in the Persons Index ~ all other personal names appearing in entries, including spelling variants, are indexed.
